Add Internal Ticket System to Your Home Screen (iOS & Android)

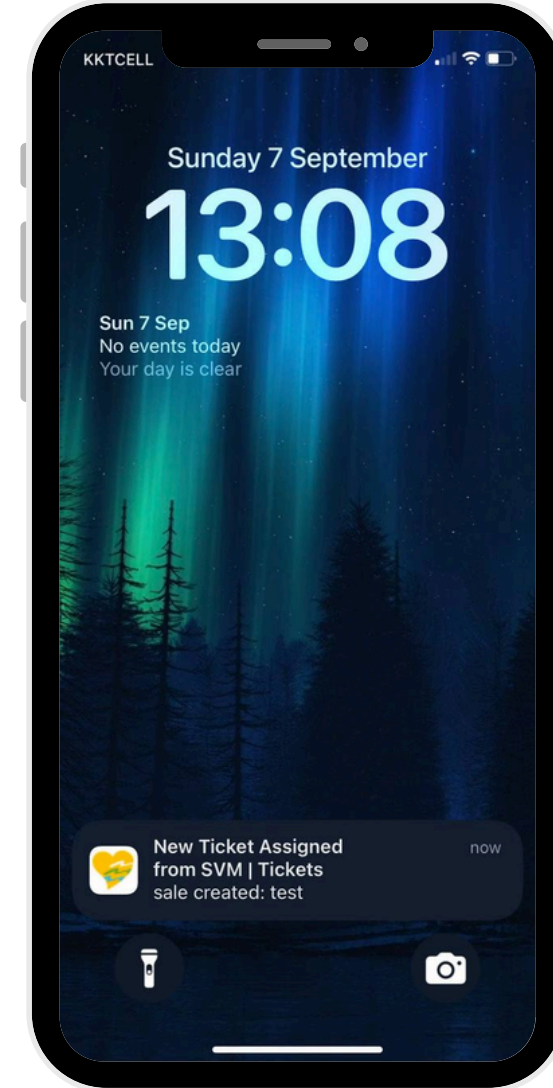

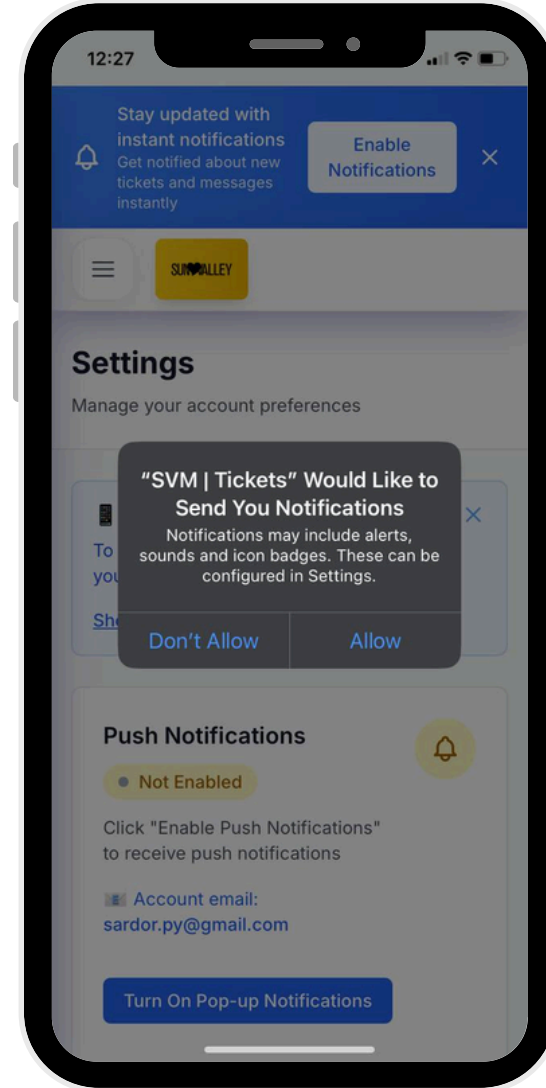

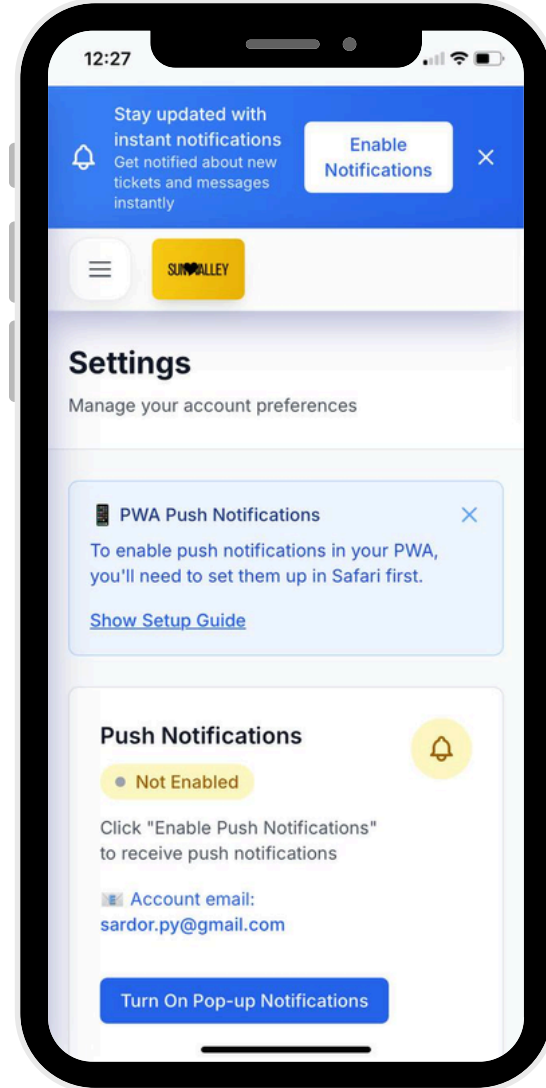

✓ iOS (Safari – iPhone/iPad):

- 1. Open Safari and go to: ticket.sunvalleycyprus.com
- 2. Tap the Share Icon (Square with an arrow pointing up, at the bottom of the screen)
- 3. Select “Add to Home Screen” from the list of options.
- 4. Confirm the Shortcut Name (e.g., "SVM Tickets") and tap Add.
- 5. The system will now appear as an app icon on your home screen.

✓ Android (Chrome – Android Phones/Tablets):

- 1. Open Chrome and navigate to:
- 2. ticket.sunvalleycyprus.com
- 3. Tap the Menu Icon (three dots in the top-right corner).
- 4. Select “Add to Home screen” or “Install App” (depending on your version).
- 5. Confirm the name and tap Add.
- 6. The shortcut will appear on your home screen for easy access.

Enabling Push Notifications for Ticket Updates

✓ How to Enable Push Notifications (iOS & Android – PWA Shortcut):

- Open the Ticket System via your home screen shortcut (added previously).
- Go to Settings and tap on the "Enable Notifications" button at the top.
- Allow Notification Access
- When prompted with the message:
- “SVM Tickets would like to send you notifications”,
- tap “Allow”.

You're All Set!

Notifications will now appear directly on your lock screen or notification center whenever:

A new ticket is assigned to you

A ticket is updated or responded to

- Stay informed in real-time by enabling push notifications for the Internal Ticket System on your mobile device. This ensures you receive instant alerts for any new or updated tickets, even when you're not actively using the app
